

Letter of Intent

March 8, 2018

William C. Conrad
458 W. Evergreen Plaza N.
Santa Claus IN 47579
(812) 719-3275

To Whom It May Concern,

I am interested in a board opening that has been advertised in the CLV news letters. There are three openings advertised, and I am willing to serve in any capacity. My wife and I moved into the village in June of 2017. We very much enjoy the community, and I wish to become more involved.

Qualifications

- Bachelor of Science in Law Enforcement University of Evansville 1976
- Master of Science in Criminology Florida State University 1986
- Graduate of both Air Command and Staff College and Air War College
- 27 years active duty in the Air Force Retired as Colonel (O-6) 2003
- Commanded six units and served on a Major Command staff (Air Force Materiel Command)
 - In these positions, I was responsible for developing and managing annual multi-million dollar budgets
- Department Head and Professor of Aerospace Science at Kansas State University (2000-2003)
- Commanded a local American Legion Post (142--Cannelton) for two years and am a current active member
- Member of the Santa Claus Optimist Club

My wife and I fully intend to make Christmas Lake Village our permanent residence. We have relocated a total of 19 times since 1976, primarily due to military commitments. We have no intention at this time to relocate again. As I am fully retired, I have no obligations that would interfere with my duties as a board member. Your consideration is very much appreciated.

Sincerely,

William C. Conrad
