OLD BUSINESS –

Don addressed the Jim Muckle property (02-016). Don noted that Jim emailed the board and stated that everything was completed. Don expressed his thanks to Jim for completing the tasks.

NEW BUSINESS –

Senator Mark Messmer article in Spencer County Leader - Don reviewed the article published in the Dec 12, 2017 edition of the Spencer County Leader. Senator Messmer wrote about a new business called AIRBNB – basically renting your home as a bed & breakfast. Senator Messmer states that we should allow members to rent out their homes on a short-term rental basis. If you remember, a year ago, this exact issue created a series of problems for our gate attendants and the neighbors.

Don told everyone that he had received a second response from Senator Messmer in regards to this article. Senator Messmer assured us that this issue will not affect CLV or any other gated community in Indiana.

Senator Messmer will keep Don informed as the proceedings go forward.

Riverview Energy \$2.5 billion investment in Dale, IN – They will begin moving dirt within the next 6 months. This is a huge plus for CLV. CLV & Santa Claus, IN is the most desirable area for these employees to want to live. There will be 225 full-time engineering level positions at this plant. CLV needs to think about what we can do to attract these individuals and their families to our community.

Nathan Allen – Business at Residence – Nathan wrote a letter to the board members requesting to use his home address as a business address to fulfill his lifelong dream of running his own business. His current address is 803 S Melody Lane. He needs the assistance of the CLV Board in obtaining exceptions to applicable C & R's to run his business. He will not engage in retail sales from the home address. He hopes to move his business to a separate location in the future. He will be using UPS and Fed Ex for deliveries. He is obtaining an FFL license from the ATF under the business name Southern Indiana Guns & Ammo. All firearms and ammo will be sold through the internet. No customer will be able to purchase a firearm from his home at any time.

There were numerous questions and concerns regarding this issue. It was decided to call a Special Meeting and have Nathan Allen present to answer everyone's questions.

Fish Survey – Bruce Tesch would like to lead the committee. The meeting will be held on February 13, 2018 at 6PM at the Rec Center.

Chris Ambs, Property Manager, noted that we did hire a third full-time maintenance man. He will start on January 30.
