

### New Marquee for Kaspar Gate Finally Up!

The long awaited marquee has finally been installed at the Kaspar Gate. Members soon will be up to date on events already afforded to those that commute through the main entrance. In just a few more days sign should be up and operational once letters arrive and electrician completes installation. Sign's primary purpose is to keep members informed on pertinent CLV events such as water boil advisories. Landscaping will be accomplished around the sign soon to maintain that manicured look.

## PAST DUE

If you took advantage of our dual payment plan the second installment was due on July 15, 2015. Second payment must be made no later than July 31, 2015 to avoid any suspension in privileges. Please contact the office as soon as possible at 812 544-2234 if you have any questions or are unsure of amount due. Thank you for your immediate attention in this matter.

Thanks for your Patience, Lake Weed has once again become a problem in several areas of our lakes. If you didn't know, this year Lake Treatment Services have been contracted out to Aquatic Solutions from Boonville. We will continue to work closely with this company throughout the year until
