# Gate Access Cards for Assigned Use Only.

## Let's avoid a hazardous situation.

Lately a couple residents have found themselves in a situation at the Kaspar Gate that becomes somewhat more of a hazard if driver attempts to back out of gate area rather than simply pulling in and turning around. If you happen to come upon an individual attempting to gain unauthorized entry at the Kaspar or Rear Gate with similar situation, Please direct vehicle entering to make a "U" turn and depart exit side and give directions to the main gate for proper entry. This will allow backed up traffic to continue to flow through with a shorter disruption. **Member utilizing card should contact the gatehouse at 812 544-9108 and inform attendant of situation as soon as possible.** If you fail to contact the gatehouse you run the risk of having your card deactivated.
