### **Office Closed the 24th and 25th.**

The CLV staff would like to wish all its members a very Merry Christmas and a Happy New Year. Our office will be closed on 24, 25, and 31 December along with New Year's Day. If you need to make a payment the drop box is available 24/7 inside the gatehouse.

Simply put; a huge success! A

big THANKS to all those members that participated, contributed, or volunteered; especially our Santa Claus!! This year's Festival Of Lights bypassed last year's by a large margin not by vehicles entering but donations collected. Over the past two Saturdays over 2400 vehicles entered the village and dropped off close to 1500 canned good items and donated a total of \$4603. Pictured above CLV Property Manager and staff members handing over a check for \$4603 to the Executive Director of the Christan Resource Center. The below picture is the truckload canned goods being delivered to the Center. Thanks to everyone that made this happen.

Christmas Lake Village is requesting used decoration; if anyone is looking to get rid of or pass down used Christmas decorations give us a call at the office @ 544-2234. Christmas Lake Village will use any donated decorations to light up dim spots along next year's and all future FOL's route. We are specifically looking for large yard displays or any other large Christmas themed items that are functional. We plan to continue to increase the CLV sponsored displays along the route and hopefully have members adopt specific areas. Your help and or donations will be greatly appreciated just give us a call when you are ready to take things down.
