Subject: Judging Tonight

Festival of Lights Judging tonight!

The judges will be driving around the village between 5PM and 6PM tonight (12/11/15) to identify the winners of the different categories. You do not have to be on the FOL route to participate just ensure all your hard efforts are turned on and ready to be judged; Good Luck to all!

If you didn't know

The Festival of Lights is a charitable event sponsored by Christmas Lake Village that has been held for over thirty years. The continued success of this tradition depends on the effort put forward by those who participate and volunteer their time; while convincing others to do the same. Little recognition is given and no prizes are handed out; it's simply all about giving and keeping the Christmas spirit alive! Motorists entering are asked to donate either canned goods or a small monetary amount with this year's donations and proceeds being delivered to the Christian Resource Center located in Rockport. All CLV Members are encouraged to drop off donations anytime between now and 20 December at the gatehouse.

Meet the newest member of Christmas Lake Village.

He may be small but he makes up for it in weight. This 200 pound concrete Santa was donated to the Village by a member and recently received a fresh coat of paint by "JAWS Collision Center" Thanks a bunch! This Santa will take up shop at the Kaspar Gate and eventually be moved a little closer to the marquee, but for now he's watching all the young ones and checking his list.
