Subject: Rule Change

Assessment Reminder!

Assessments were due on January 15, 2016 and are now considered past due. To avoid late interest fees payment must be received at the gatehouse no later than February 12, 2016. If you have any questions or concerns please contact Chris or Julie at 544-2234. 2016 stickers are available and remain a requirement for vehicles once assessments have been made. Thanks to all those members that took time out to take care of this requirement.

Election Announcement !

The first official announcement went out at January's monthly meeting; CLV is looking for candidates to run for Christmas Lake Village Board of Directors. As most of our elections go three seats will be up for grabs that are currently being filled by Don Vogel, Jayson Hetzel, and Amy Busler. Open nominations are now being accepted and will continue until April 23, 2016. So if you are interested in getting involved and making a difference drop off an application at the gatehouse or forward your intent to clvillage@psci.net and Brian Greulich @ jambalaya@psci.net.

Rule Update !

For those of you that have become accustomed to piling leaves and debris on adjacent or close vacant lots those days maybe be over. The Board of Directors implemented a new standard to an existing rule that may make that just a little more difficult. If you plan to pile your limbs and leaves on a vacant lot that is not yours' written permission from the property owner will be required to guarantee service. If members are identified dumping leaves or debris on a lot without permission a \$100 littering fine may be levied against them. Please help us spread the word to avoid any surprised members when the time comes; thanks in advance for helping us spread the word.
