## Computer glitch resolved!

Thanks for your patience and understanding, we have worked through this issue and all gates are up and running accurately. If for some reason your gate card still fails to work please contact the office as soon as possible at 544-2234 and talk with Julie or Chris to rectify issue.

**Unauthorized dumping**; a couple of times in the past week our maintenance crew has been forced to clean up someone else's trash! Trash cans located at the different common area sights are for the convenience of those members enjoying themselves not for bags of residential trash that someone is too lazy or cheap to dispose of properly. If you see someone dumping trash inside CLV please report it to

the office immediately.

Thanks  
Chris
