you have any questions simply call Chris or Julie @ 812 544-2234 for clarification.

For those that don't follow the monthly minutes; CLV has purchased a water fountain to be placed in Christmas Lake near the front entrance way. Many utility flags mark up the area now to best determine where to place the electrical hook up. The fountain should be installed within the next couple of weeks adding to the beauty of the entranceway.

CLV wants to thank those that collect garbage along the roadsides keeping CLV clean. Thanks! and if you happen to witness a LitterBug let me know and you could receive \$50.
